HIGHLIGHTED

1. **New regulations on the employment creation supporting policy and National fund for employment**

   **On 9 July 2015, the Government issued Decree No. 61/2015/ND-CP, providing for the employment creation supporting policy and National fund for employment (“Decree 61”).**

   According to Decree 61, employees approaching poverty threshold who work overseas under contracts are allowed to borrow up to 100% of the expenses for contracts signed with service providers or non-business professional units sending employees to work overseas.

   With regard to a loan of more than VND 50 million, the borrowing employee must have assets to be used as collateral for the loan in accordance with the laws. The term of the supporting loan must not exceed the overseas working period of the employee as prescribed in the contract. The preferential loan interest shall be equal to the loan interest applicable to the households living in poverty as provided for by the Government from time to time, and the overdue interest shall be equivalent to 130% of the loan interest mentioned above.

   In addition, Decree 61 also details the preferential loans reserved for small and medium-sized enterprises, co-operatives, cooperative groups, business households, and workers to create, maintain and expand the employment. Accordingly, a production and business establishment employing people handicapped or of ethnic minority from 30% of its total employees may borrow from National fund for employment with a loan not exceeding VND 1 billion for each project and not exceeding VND 50 million for each recruited employees, the term of loans may be up to 60 months.

   This Decree shall take effect on 1 September 2015.

2. **New provisions on the activities of sale and purchase of debts by credit institutions and foreign banks’ branches.**

   **On 17 July 2015, the State Bank of Vietnam issued Circular No.09/2015/TT-NHNN, providing for the activities of sale and purchase of debts by credit institution and foreign bank branches (“Circular 09”).**

   Circular 09 provides for the activities of sale and purchase of debts arising from professional lending transactions (including payment on a third party's behalf in a guarantee transaction) by credit institutions and foreign banks’ branches; the application file, process of and procedures for obtaining consent for activities of sale and purchase of debts by credit institutions and foreign banks’ branches.
According to Circular 09, credit institutions and foreign banks’ branches are permitted to purchase debts only when the State Bank of Vietnam has given consent to such activity in the Establishment license and bad debt ratio of the institution or foreign bank’s branch is below 3%; however, in case of selling a debt, the permission from the State Bank of Vietnam is not required.

Similarly, a company managing debts and operating assets, which is subsidiary of a credit institution, is permitted to purchase debts from other foreign banks’ branches and credit institutions only when the parent credit institution has a bad debts ratio below 3%, except for the case of purchasing debts in accordance with an approved restructuring plan.

Another notable content of Circular 09 is that credit institutions and foreign banks’ branches must issue their internal rules and regulations on the activities of sale and purchase of debt before conducting such activities and are not permitted to sell debts to its subsidiary, unless they are sold to a company managing debts and operating assets of the parent company in accordance with an approved restructuring plan. Especially, the debt seller is not permitted to re-purchase a debt already sold.

Regarding foreign exchange management in the activities of sale and purchase of debts, Circular 09 requires parties to comply with the provisions of laws imposing restrictions on use of foreign currencies within territory of Vietnam when conducting sale and purchase of debts and recovering purchased debts. Accordingly, when using a foreign currency to purchase a debt, a debt purchaser who is not Vietnam resident must use a foreign payment account opened at a credit institution or foreign bank’s branch permitted to conduct foreign exchange activities in Vietnam or a foreign currency account of the debt purchaser in overseas to pay debt purchase price and related expenses.

This Circular shall take effect on 1 September 2015.

3. **Provisions on process of and procedures for investments in thermal power plant projects on the basis of BOT contracts**

*On 13 July 2015, the Ministry of Industry and Trade issued Circular No.23/2015/TT-BCT, providing for the Process of and procedures for investments in thermal power plant projects on a basis of Build – Operate – Transfer (BOT) contracts (“Circular 23”).*

Pursuant to Circular 23, the projects on investments in thermal power plants falling within the List of National electricity development planning for which the investor has not yet been determined, with two or more BOT investors being registered for participation therein and projects falling within the List of National electricity development planning, which are designated by the Prime Minister, shall organize international tendering.

Regarding other projects on investments in thermal power plants including: Projects proposed by BOT investors, not falling within the List of National electricity development planning, and approved by the Prime Minister;
projects falling within the National electricity development planning for which only one BOT investor is registered for his participation and approved or designated by the Prime Minister shall designate the BOT investor without organization of tendering.

According to the same Circular 23, within 30 days from the date of signing investment agreements, the BOT investors must conduct procedures for the issuance of Investment registration certificate and the establishment of BOT enterprise, and finalize required-to-be-added items to sign officially the project documents within 30 days from the issuance of Investment registration certificate.

With regard to the reporting regime, the new Circular provides that throughout the process of construction of the thermal electricity plant, the BOT enterprise must prepare monthly reports to be sent to General Department of Energy and competent authorities on the 5th day of each month; the reporting contents include: Progress of completed work; Existing issues, proposals, recommendations (if any) and expected plan for the following month, etc.

This Decree shall take effect on 1 September 2015.

4. **New guidelines on the Law on Enforcement of Civil Judgements**

*On 18 July 2015, the Government issued Decree No. 62/2015/ND-CP, detailing and providing guidelines for the implementation of a number of articles of Law on Enforcement of Civil Judgements (“Decree 62”).*

According to Decree 62, if at the time of the enforcement, the value of an asset increases or decreases by more than 20% in comparison with the value of this asset when the verdict comes into effect and at least one of the plaintiffs requests, the bailiff shall organize the valuation of such asset.

Documents proving the change in the asset’s value may be the price bracket provided for by the State, common market price of the identical or similar asset or actual transfer price of assets of the same type in the locality where the asset is located.

After 30 days from the receipt of documents requesting for payment of enforcement fee, if the recipient does not voluntarily make the payment, the bailiff shall decide to auction the asset for the enforcement of the verdict.

The person occupying the asset who does not voluntarily transfer the asset to the auction property purchaser shall be enforced to implement the verdict and bear expenses as stipulated.

Decree 62 shall take effect on 1 September 2015.
